We encourage you to complete the simple application process now to ensure you are approved for any volunteer opportunities throughout the coming school year.

Happy Valley Elementary is a community school and we eagerly welcome and encourage you to be involved! The PTA will host many fun family events this school year. These events are excellent ways to meet your child's classmates, school staff & teachers, and other parents/ guardians.

PTA events are free and fun!

Sign up for The Buzz and follow the PTA on social media to make sure you always know about upcoming events and ways to volunteer and support our school.
